President's Message

I am feeling like the last few years have been a merry-go-round with never-ending changes and transitions here at Temple Shalom and all around us. It's not all bad but it is certainly challenging. It was only 4 years ago that we welcomed Allan Finkel as our rabbi. What a change after many years of working with rabbis who didn't live in Winnipeg to have a rabbi who not only lived right here but who had a long and deep connection to the Temple and the Winnipeg Jewish community. We were excited to embrace so many possibilities that this presented to us.

We were just beginning when the pandemic changed everything. All our plans were put on hold as we, along with so many others, scurried to make the transition to a virtual synagogue, in fact, to virtual everything. And we did it thanks to the creativity and hard work of Rabbi Allan, our cantorial soloists, our staff, and our volunteers. We kept trying to improve our online experiences and infuse them with the life and intimacy that only comes with being there...in person.

And now, as the pandemic becomes endemic, we are once again facing transitions. We're learning to take advantage of the opportunities for collaboration presented by having Congregation Shaarey Zedek in our building; we're figuring out how to reclaim that wonderful in-person community without losing the benefits of being online; and we're making the transition that we've made before to not having a "Temple Shalom Rabbi." However, the transition is different this time. Rabbi Allan will continue to be a part of our congregation and community and will still be leading our congregation, albeit in a more limited capacity, for at least the coming year. And we have already started the exciting process of looking at our future. We hope you will participate and be a partner in planning that future; we invite your input.

Join us on June 2 to thank and honour Rabbi Allan on his retirement and on becoming our first Rabbi Emeritus.

You can thank Rabbi Allan for everything he has given to the Temple by donating to Temple Shalom in his honour.

נעשה ונשמע Na'aseh V' Nishma
We Will Do and Then We Will Understand
Truth and Reconciliation

Dear Congregation Temple Shalom,

One of the fundamental values of Judaism is **Tikkun Olam** which means **Repairing the World**. It is our obligation and responsibility as Jews, as Canadians, and as human beings sharing a society with Indigenous Peoples to participate in the process of Truth and Reconciliation. Judaism emphasizes a behavior-based lifestyle. Our sages taught us to value conduct before conviction. We should do, even before we completely understand. Temple Shalom is about to begin a process to respond to the 94 Calls to Action as articulated by the Truth and Reconciliation Commission of Canada.

To begin the building of a relationship with the Indigenous Community, we would like to plant a "Heart Garden" in front of our building. We have a master gardener who has volunteered to help us plan and maintain a garden. This garden will include plants that are important to Indigenous culture and will also grow food to give to an organization helping those with food insecurity. We plan to begin this project with a program on Monday afternoon on May 22 (long weekend) when we will learn from an Indigenous knowledge keeper and do the initial planting.

I am looking for a few people to form a small committee to help to plan this program. We will also be looking for people to help maintain the garden over the spring and summer. If you are interested in being a part of these groups, please indicate which group you would like to be a part of by emailing the temple at tshalom1@gmail.com

It is my hope that this will be the beginning of a series of events, programs and initiatives that will enhance our congregation's knowledge of Indigenous issues and build a relationship with the Indigenous Community.

Thank you in advance for your participation in this important initiative. See poster below.

We acknowledge that this event will take place on Treaty 1 Territory, the ancestral lands of the Anishinaabe, Cree, Ojibwe, Dakota, Dene People and the homeland of the Metis people. We offer our hands in partnership with the Indigenous community.

The community is invited to join Temple Shalom in reconciliation by planting a Heart Garden in our community to honour the 94 calls to action from the Truth and Reconciliation Commission of Canada.

Planned Giving and Temple Shalom

Securities: Donate securities, which have matured, but on which you prefer not to pay capital gains. When a security is donated, there is no tax on the capital gain, and a charitable tax receipt is issued for the full amount. This donation benefits you, while helping the Temple.

Israel Bonds: Celebrate by building for the future with the State of Israel's promise of a bond!

Israel Bonds may be given as gifts, in either CDN or US!

Israel Bonds can be registered jointly in the name of Temple Shalom and are 100% self-directed RRSP, RRIF, TFSA & RESP eligible. Pledge cards are available on the table in the lobby near the sanctuary.

Estate Planning: We are grateful to those donors who remember Temple Shalom with Bequests. These gifts contribute significantly to the Temple's long-term financial well-being and help ensure its success in our Jewish Community and as a representative of the Reform Movement in Canada.

As you make plans for your estate, we hope that you will consider a bequest to Temple Shalom.
