## President's Message

Who are we, members and friends of Temple Shalom? We Jews are at yet another crossroad, another time of reckoning, another time of profound loss. We think about our history, the numerous times others have tried to destroy us. And still, we have survived, sometimes through active resistance and other times, through sheer persistence. We try to make sense of the senseless, the unnecessary loss of life. On a deeper level, we continue to ask again and again, why us? What is it about the Jewish people, a miniscule fraction of the earth's population, that has and still makes us a target for so many? We examine our personal consciences and wrestle with our own sense of ourselves and our moral and ethical well-being. It is overwhelming. How do we respond? We show up to rallies and special services and programs and respond to many requests for financial support. These are important, but they are only temporary.

The solution to the survival of the Jewish people (and ultimately to Israel's survival) is to come together and to keep our synagogues strong. The synagogue is at the centre of a strong, thriving and lasting Jewish people. It is where we learn together, we celebrate together, we mourn together, we pass on our history and traditions, and we keep those alive. Here at Temple Shalom, we need each and every one of you. This is not a plea for money (although we never seem to have enough), this is a request for your personal participation and input. Things are quieter now around the shul as we recover from the intensity of the High Holidays and the festivities of the chagim. Your leaders are tired; we're taking advantage of the quiet time to reflect on our future. Please come together and join us at services and programs, and please, please, please let us hear from you: what's working? what's not? what would you like to see that you don't? what's our next step on the journey to a rabbi...." It is you that we need to keep us growing and strong.

Am Yisrael Chai!

Join us to watch the Documentary

#### Three Identical Strangers

From the film's website:

New York, 1980: three complete strangers accidentally discover that they are identical triplets, separated at birth. The 19-year-olds' joyous reunion catapults them to international fame, but it also unlocks an extraordinary and disturbing secret that goes beyond their own lives - and could transform our understanding of human nature forever.

Please be aware that there is discussion of suicide in the film. Running time: 96 minutes.

Come for some snacks, an interesting film, and if you like, conversation about it afterwards.

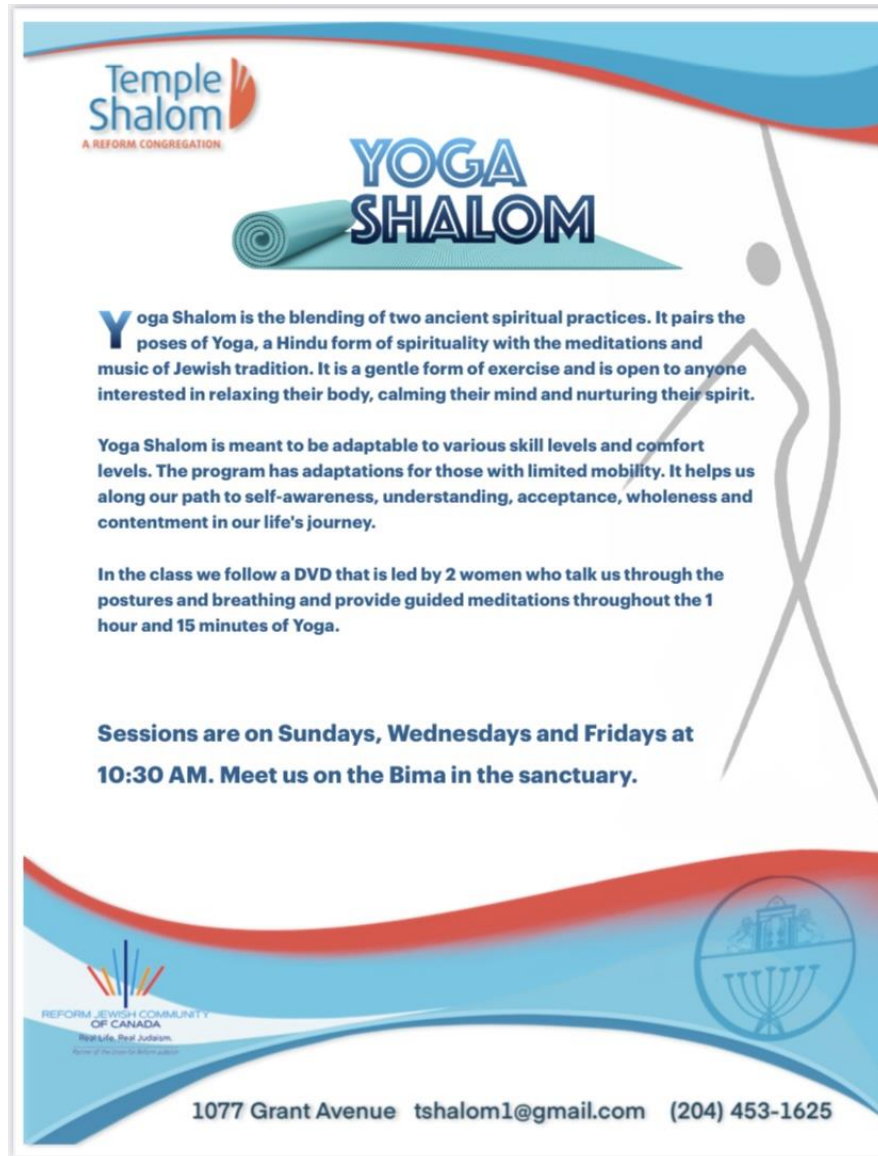

The evening ends with Havdallah

## YOGA SHALOM

**Y**oga Shalom is the blending of two ancient spiritual practices. It pairs the poses of Yoga, a Hindu form of spirituality with the meditations and music of Jewish tradition. It is a gentle form of exercise and is open to anyone interested in relaxing their body, calming their mind and nurturing their spirit.

Yoga Shalom is meant to be adaptable to various skill levels and comfort levels. The program has adaptations for those with limited mobility. It helps us along our path to self-awareness, understanding, acceptance, wholeness and contentment in our life's journey.

In the class we follow a DVD that is led by 2 women who talk us through the postures and breathing and provide guided meditations throughout the 1 hour and 15 minutes of Yoga.

**Sessions are on Sundays, Wednesdays and Fridays at 10:30 AM. Meet us on the Bima in the sanctuary.**

**Planned Giving and Temple Shalom**

**Securities:** Donate securities, which have matured, but on which you prefer not to pay capital gains. When a security is donated, there is no tax on the capital gain, and a charitable tax receipt is issued for the full amount. This donation benefits you, while helping the Temple.

**Israel Bonds:** Celebrate by building for the future with the State of Israel's promise of a bond! Israel Bonds may be given as gifts, in either CDN or US!  
Israel Bonds can be registered jointly in the name of Temple Shalom and are 100% self-directed RRSP, RRIF, TFSA & RESP eligible. Pledge cards are available on the table in the lobby near the sanctuary.

**Estate Planning:** We are grateful to those donors who remember Temple Shalom with Bequests. These gifts contribute significantly to the Temple's long-term financial well-being and help ensure its success in our Jewish Community and as a representative of the Reform Movement in Canada.  
As you make plans for your estate, we hope that you will consider a bequest to Temple Shalom.
