President's Message

October/*Tishrei* was a VERY busy month! Rosh Hashanah, Shabbat Shuva, Kol Nidre, Yom Kippur, Sukkot, Shmini Atzeret, Simchat Torah, Thanksgiving and Halloween...I'm exhausted. So now we enter November which this year, coincides with the start of *Cheshvan* on the Jewish Calendar. Traditionally Jews have called Cheshvan a sad month because it is a month without holidays sandwiched between all the autumn holidays in *Tishrei* and Chanukah in *Kislev*. I, however, am in agreement with a very wise woman in our congregation, Sherry Wolfe Elazar, and don't find it sad, I just appreciate the time to recuperate and reenergize before the next celebration.

However, Temple Shalom does not go into stasis for the month, and we hope you won't either. My theme for this month is how we can take advantage of the less frenetic pace to connect and grow as individuals and as a community in a month without holidays. Let me start by saying that I think growth and connection are inseparable and interdependent. Each time we connect, we grow, and growth creates opportunities for connection. So, let's take a look at November at Temple Shalom through this lens. We're starting right away on November 2 with Havdalah, our second program for our as-yet-unnamed under-50 group. If you are an adult under 50, please join us to connect with other Jews by birth, by choice, connected and curious, with partners, no partners, kids, no kids, gay, straight.... and grow by learning more about the beautiful way we say good-bye to Shabbat. Connect and grow by joining our book group on Nov 14. How about Trivia Night? This exciting evening of fun will connect us, challenge our minds and grow our community in a different fun and relaxed way. Not only that, the funds we raise will help the Temple grow and provide more opportunities for connection. Not convinced yet, let's come together for Mitzvah Day on November 24 to express our creativity and generosity, making art cards to brighten Chanukah for all the residents at the Simkin Centre. Please feel free to bring a partner, friend or relative to any of these programs so that they can connect as well. And finally, an opportunity from the Reform Jewish Community to grow through learning. Please see the information about the Hoover Education Program and consider participating. We hope to come together for one of the programs to add the special sauce of connection to our learning.

Take advantage of the relaxed month of Cheshvan and enjoy it with Temple Shalom.

Amazing opportunity to invest in future of Temple Shalom

We are so excited to support our member Myriam Saitman as she embarks on her journey toward rabbinic ordination. Myriam will begin her studies at the JSLI (Jewish Spiritual Leaders Institute) in September and will be ordained in June 2025 at which time she will begin her tenure as the rabbi of Temple Shalom. Please consider making a contribution to the Professional Development Fund so that we can invest in our future by providing a scholarship to Myriam to help cover the costs of tuition and books.

Toda Raba

Toda Raba to the many people who have so generously donated toiletries during and after the High Holidays for the residents of Deer Lodge Centre.

There is so much stuff that it requires more than one trip and a dolly to get it all here — it is truly amazing and heartwarming.

There are many residents who would otherwise go without basic items like Kleenex, shampoo and lip balm without your donations, so they have a huge impact.

I was moved to tears by the kindness and generosity of our community. Again, toda raba/miigwetch.

Shawna Forester Smith and the residents of Lodge 7.

Planned Giving and Temple Shalom

Securities: Donate securities, which have matured, but on which you prefer not to pay capital gains. When a security is donated, there is no tax on the capital gain, and a charitable tax receipt is issued for the full amount. This donation benefits you, while helping the Temple.

Israel Bonds: Celebrate by building for the future with the State of Israel's promise of a bond!

Israel Bonds may be given as gifts, in either CDN or US!

Israel Bonds can be registered jointly in the name of Temple Shalom and are 100% self-directed RRSP, RRIF, TFSA & RESP eligible. Pledge cards are available on the table in the lobby near the sanctuary.

Estate Planning: We are grateful to those donors who remember Temple Shalom with Bequests. These gifts contribute significantly to the Temple's long-term financial well-being and help ensure its success in our Jewish Community and as a representative of the Reform Movement in Canada.

As you make plans for your estate, we hope that you will consider a bequest to Temple Shalom.
